

**Blessing Greenhouses and Compost Facility, Inc.**  
**Corrective Action Plan (CAP)**

**Purpose:** The Corrective Action Plan (CAP) shall serve to meet Condition Nos. 66 and 67 of the EPA Administrative Order on Consent, Docket No. CWA-03-2021-0006DN. The CAP identifies key task items and associated timeframes necessary for the design, construction and operation of the state-of-the-art composting facility under roof. Composting operations will not resume until the facility is constructed and operations can be performed indoors, under cover.

**CAP Revisions:** The CAP shall be revised to identify: task completion; revised timeframes; and additional task items necessary for project completion. The EPA will be notified of any CAP modification, with an explanation provided for any delay occurring beyond the control of the Facility.
